 up-One problem with today's
 turntables is having the tonearm
 this happens you can often fix it by
 making a fine adjustment at
 the base of the tonearm to
 make sure that it doesn't skip
 with a minimum of distortion

Dear Norma,

Hee, am I glad there is only 18 days left! This has been a good year. I am glad that we have had a chance to get to know each other better in the lunch bunch! You are a very sweet person, Norma. Enjoy your summer and your family.

Love,
Faye

Dear Norma,

I always wish the very best for you! I know you've had hard times, but you've done a fantastic job. I know a lot of people could take a lesson from you! It shows in your life & in your kids and the way they love & respect you. So be good to yourself. I'm glad we have lunch together & we all have learned & helped each other during that half-hour! & Thanks a bunch for "taking care" of Clint. (I'm sure you'll see him again, though!)

God Bless you & watch over you.

Love,
Rachy

Dear Norma,
What would we do without you in Guidance... especially those fun first weeks of the school year! Seriously, it's wonderful to work with someone you can trust when there's a need. All that and a super person, too -
Love,
Dee Lee

Dear Norma -
You are so much a part of Lyman to me. When day one I have worked with you and it has been a pleasure. You are a good and true friend. I appreciate you for all those loving qualities that you share on me. We have had a lot of fun over the years - that makes even the hard part busy times O.K. As a mother you have been a success, as a friend you are the quietest! Always stay kind and are - that holds a wonderful future for you - I know it!
God Bless you
Love,
Mary

Dear Norma,

Another year — wow!
What does that make us?
Another "Volume" to add to
your "set of Encyclopedias"!
It's been a long time — a
lot of history has been made.
Your kids have come and
gone — Does it sometimes
seem as though we've
been here since the year ONE??
Anyhow, I've enjoyed working
with you — your infectious
laugh, your friendliness,
your just being Norma. (It's
sort of like we've worked
together so long we've become
an office family!)

Tho' the conditions were
less than ideal (heat, filth,
live and dead spiders & accompanying
webs, etc.) I even enjoyed the
storage room detail with you!
Thanks for being your very
special self!!

Love & best wishes
always —

Sara

5/24/83

Dear Norma,

I can't believe this year
is almost over again. Where is
the time going. It's always so
nice to see your smiling face
come through our office. I wish
we had a chance to work a
little closer together. Have a
wonderful summer. I hope you
get to see "lots & lots" of your
family.

Love,

Helen

5/26/83

This is the first year, since
I started working at Lyman
that I have not had at
least one student in school.
It was a fast year. It's
gone by very quickly, but I
have missed having students
come in at lunch or after school
to see me. I have been able
to see others coming thru
whose parents work here
though. Mary Schofields, Mark;
Beverly Leis (Freeman); Nancy;
Cathy Baker's; Clint; Helen
Mannell's, Missy, and Faye
Andrew's, Scott. I know all
of these by sight except
Scott Andrew. — Oh, yes, of
course now we have two of
Patsy MacLeod's here now;
Heather, a senior this year,
and Chrissy, a freshman.
Students of Teachers, would
be Debora and Allison Barnes
(daughters of Tom + Patsy);
Mike Henley, son of Carlton;
Laura Skye McLeod, daughter of
Zula McLeod; John Greene Jr.,
son of John Greene. David
Haight, son of Art Haight;
Sheri Scott, daughter of Bill Scott;
Luis Montalvo, son of Doris. Laurel
Zabel, daughter of Mimi Rebiak;

Student Life

Skit Night

In keeping with tradition here at Lyman, Skit Night was an occasion to be remembered. To describe and commend the rising school spirit, "Pride of the Pack" was proclaimed the Homecoming theme.

Deriving their idea from the hit movie "E.T.," the first place winners, Tri-Hi-Y, summed up the atmosphere of the evening as one that would be considered Extra-Terrestrial for years to come.

All In A Day's Work

Lyman's employed students have become industrious, wage earning, young adults. Through their efforts, our students are enjoying the incomes and benefits of many work fields.

ART I- (Prerequisite-Study Hall I or a completed 'Draw-Me' ad from a comic book.)

Art One is for creative people who want experience working with various media such as painting, sculpture, and crafts..

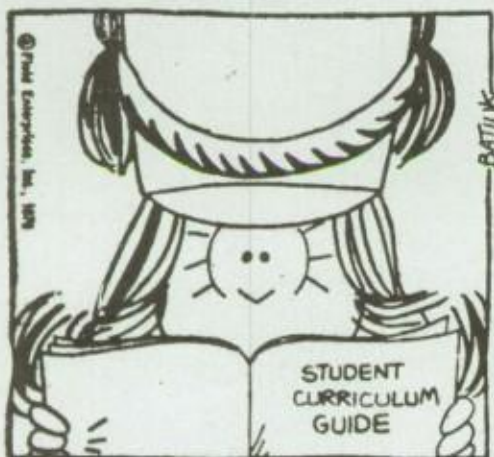

It is also for seniors who are in desperate need of a few easy credits.

2-24

Funky Winkerbean

by Tom Batiuk

CHEMISTRY-II (Prerequisite-Chemistry I or one year of watching Mr. Wizard.)

In Chemistry Two, you'll go deeper into the study of atomic theory and you'll be making greater use of the periodic table which gets its name from the fact that you have to keep looking at it periodically during a test.

2-21

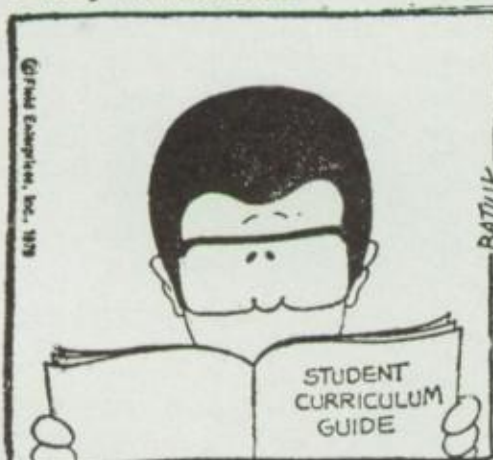

ALGEBRA 1 -

This course is a lot like General Math only a little more bizarre. The basic idea is to find out what x is. The catch is, that as soon as you do, they change it to something else. If you enjoy this, you'll also like beating your head against a brick wall.

6-3

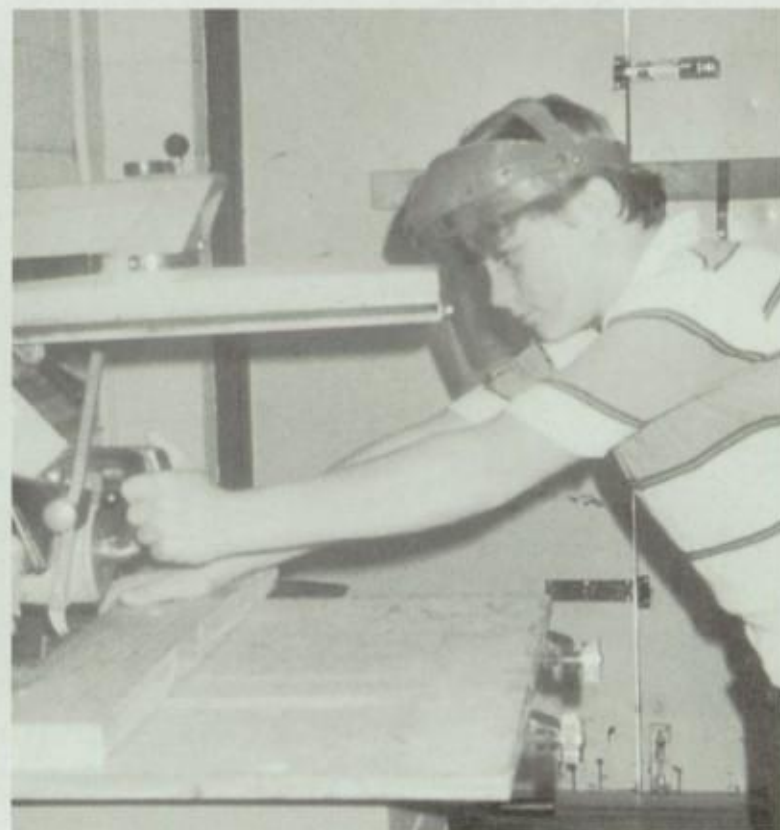

SHOP-- (Prerequisite-mechanical drawing or a note from a hood.)

Let's be honest, shop is the pits. It's mainly for people who like trying to plane a board with tools that haven't been sharpened since the Stone Age.

In Shop, everyone makes bookends or broom-holders...except for the quiet kid in the corner who's making a gunrack!

2-22

A.F.S. Bong Show

Van Wallen took first place.

Cool Country Cloggers

Hosts Brent Wood and Larry Brown escort Cher inside.

Do they call that talent?

Nightmare played between acts.

A.F.S. President Allison Zeuli prepares to present flowers to Mrs. Bonjione.

Hani Georgi rocks as Elvis

Hey isn't that Richard Pryor?

The 6th annual Bong Show presented Lyman's finest talent with a variety of acts. Hosts Brent Wood and Larry Brown introduced two fine musical groups and the exceptionally talented cast.

Quest jams to start the show.

Sonny and Cher Bonor sang their famous hit "I Got You Babe".

I'm flying!

Okay, everybody jump!

Mr. Cockrell does his Elvis impression.

Power Sweep '82

"Power Sweep" was held November 15-20. Assemblies were held during the day at local junior and senior high schools in which 20,500 students attended. Five thousand more students attended evening rallies held at selected schools.

Autographs

It's been fun working with you in guidance for the last two years. I hope that my next two will be just as fun filled. When I think of how much fun I had last year, I know that I thought it couldn't be topped. Well, I was wrong. Miss Well has just added to the fun. If yall add a new person every year, I can't imagine what my senior year will be like. But I'm not complaining I like this office just as it is. Thanks to you and all of the guidance staff, my high school years will be some of the most memorable in my life. Thank.

Your very loyal aide

High spirited chats in the hall keep things going!

Hand it over, or else!

Here I am, girls!

Look mom, no head!!

So, what's the latest gossip girls?

I can't believe I FINALLY learned how!

After four years, I still can't remember my bus number!

Gag me with a spoon!

The

WINK

Tom Batiuk, seated above center, is the cartoonist who made the 1983 Greyhound possible. For eleven years he has been exemplifying high school life in a humorous manner that we can all relate to through his comic strip "Funky Winkerbean." The idea of using this strip as the theme for the yearbook has been in the planning for well over a year. The yearbook staff feels Mr. Batiuk's characters relate directly to all students of Lyman High School, and the problems and situations they encounter. For this reason we are proud to build our yearbook around the antics of Funky, Crazy, Les, and the entire Winkerbean clan. We thank Field Enterprise Inc. and Tom Batiuk for graciously allowing us the use of copyrighted materials to make this yearbook a standard by which all others would be compared.

Scholastic Team

(L-R) Standing: Julie Zalinski, Eric Dentel, Kate Adams, Ron Anleowitz, Scott Kinkade, Karen Nelson, Jett Pihakis, Nancy Lee, David Lampert, Sitting: Tim Farina, Rodney Sosa, Sherri Haberman, Jill Bischoff, Chuck Jones, Kathy Green

The Scholastic Team is part of a 12 team league of high schools in Seminole and Volusia Counties. They play an eleven match schedule of 22 games, playing each team twice. Toss-up questions, answered by an individual, are worth 10 points each and qualify the team for a twenty point bonus question on which the team confers. The team represents the school in quiz competition.

Aundra Jones, Editor

Brian Mosley, Editor

Dear Aundra,

I'm flattered that you want to use Funky Winkerbean as the theme for your yearbook and I'm more than happy to give you permission to do so. Simply include a credit line to myself and Field Newspaper Syndicate. There is no real need to submit layouts to me although I would appreciate, if possible, a couple of final copies of the yearbook (one for me and the syndicate).

If you need help getting copies of strips to reprint, please feel free to contact me. However, I'm afraid that I'm so swamped, that I really can't commit myself to doing a cover. Best of luck with your yearbook.

Sincerely,
Tom Latink

Funky Winkerbean

Throughout the production of the 1983 yearbook, we kept three objectives in mind: to represent the campus as a whole, to show its activities, organizations, and sports events with care, and to successfully capture, through pictures, the best memories for you. We hope we have accomplished these objectives to your satisfaction. We thank "Uncle Ron" so very much for his help throughout the year, for we couldn't have done it without him. With his help, along with an outstanding staff, we know this yearbook will be a success.

Norma,

What can I say!? Here goes! Another year and we're still at it! I've loved having you around, keeping me up on "things." Carole never is really absent 'cause one of her "moms" keeps up with the other! ☺

Best wishes and love,

Linda xx
